3-D action film to be featured in Ripley's North American theaters.

The "Ripley's Believe It or Not" corporation was so pleased with the response from its audiences that it will now feature 'Robo Soldier 3-D' at its theatres in Florida, Tennessee, South Carolina and also their theatre at Niagara Falls in Ontario, Canada.

"Robo Soldier is what is the best about the latest 3-D films. Plenty of action and the best effects in the industry make this film a crowd favorite. After they watch the film, they tell all their friends about it and as a group they come back to watch again! "

David H. – Ripley Entertainment Project Manager

The 3-D action packed adventure ride 'Robo Soldier 3-D', sends the audience onto an exciting mission as soldiers that have to save the city Metropolis from a sinister band of terrorist battle droids known as the B-Crew! Explosions, fun and excitement await all those who dare to take on the challenge to liberate Metropolis.

"Robo Soldier 3-D is one of those unique films that combines everything we want. It has a well developed story line, excellent effects, and most importantly lots of action! "

David H.

'Robo Soldier 3-D' is available for 570, 870 and HD at 30 or 60 FPS.
